

Sustaining Patron Program

Our 2016 goal for this program is to deliver targeted annual funding of \$250,000 through the kind and generous support of our key friends, donors and founders. With the opportunity for donors to participate and contribute for multiple years (options include three, four or five years), we hope to provide a dependable, ongoing source of funding to allow the Park to concentrate on growing and diversifying our calendar while maintaining the facility at the highest standard possible. Sustaining Patron Program is designed specifically to create a more predictable fundraising outcome and greater financial stability for the long-term.
