*All events are required to have a CHP staff member on-site during their show days. The staff member will assist the show with general duties including garbage, general cleanup, ring preparation, and handle any emergencies that may arise. Price varies for on-site labor dependent upon duties needed.

**Additional labor charges may apply to such tasks as putting up and taking down tents. Additional CHP labor will be billed to the show at the cost of \$30.00 per hour, per laborer.

Note: The rental rates for the CHP include the use of both all weather show rings, the dressage complex, vendor area, announcers stand, Donovan pavilion, and complete grounds access on the northwest side of the property. Use of the cross-country course side of the CHP property is by permission only and additional cost. Jump rental does not include set-up or tear down of the course. All equipment used by an event must be returned to CHP clean and without damage, or the organizer may be charged accordingly.

Shows are required by law to have a handicapped accessible restroom at events open to the public held at CHP.
