

Over the Moon Award

CHP is pleased to announce the new WHES Over the Moon Award presented by Southern 8ths Farm. This award recognizes WHES amateur competitors, age 50 and over as of 2020, who continue to compete at the Park. Each rider will receive points based on their placements at each of the 2020 WHES competitions as well as earn Wisdom Points based on participation and age to supplement overall competition point totals. At the end of the season, points will be tallied, and the winner will be announced at the November 6-8 WHES Championship. The 'Over the Moon' winner will receive a custom carved wooden plaque as well as reimbursement for their 2020 WHES entry fees! Please join us in thanking Southern 8ths Farm for providing such an impressive award. Birth dates must fall in the 2020 competition year.
