

Skip the Card ... New Digital CHP Membership Card

The Carolina Horse Park is excited to introduce digital membership cards for our Friends of the Park (FOTP) and Patrons of the Park (POTP) program. The Park's new Cardskipper app allows members to easily access their account.

Soon members will be able to:

- Access membership cards on your phone
- Manage membership information
- Receive renewal notices and renew via the app
- Receive news and special offers from the Park
- And much more!

Cardskipper will remove the need for plastic cards and will help reduce our environmental footprint! Watch out for the implementation of our new app in March. Contact Grace Payne at grace@carolinahorsepark.com with any questions.
