

Please note that in an effort to protect the health and safety of all competitors and personnel, the Fédération Equestre Internationale (FEI) and the United States Equestrian Federation (USEF) have prohibited spectators from all recognized equestrian activities through the Spring of 2021. As a result, members of the public, spectators and non-essential personnel are prohibited from the competition grounds. Sponsors that meet the criteria of providing care to the horse and/or athletes competing or are a direct benefit to the competition organizer are allowed to be present at the competition. All essential personnel including riders, grooms, owners, sponsors, volunteers, vendors and staff practice social distancing, wear masks or face coverings, and strictly adhere to CDC and NC Covid-19 guidelines the entire time they are on the Carolina Horse Park competition grounds.
