

We will be LIVE in November! In partnership with Horse & Country TV, the War Horse Event Series Championships will be live streamed throughout the United States and internationally to over 30,000 people in 40 countries. On Sunday, November 8, all Championship show jumping rounds from GAG to Training will be live streamed at www.horseandcountry.tv/en-us/.

Encourage your family and friends that are not able to attend this exciting Championship to log on and watch the excitement live. A H&C subscription is needed to view (no contract) and it's a great opportunity to also enjoy documentaries, masterclasses and more right from home during the upcoming winter weather. Subscribed competitors can also purchase a recording of their round at the end of the Championship.
