

ADULT TEAM CHALLENGE

Teams of four riders will compete for prizes provided by Area 2 Adult Riders. You must be a member of your Area Adult Rider Program to compete. If you cannot field a team, we will do our best to create a team for you. Send individual and team names to Donna Bottner: Ar2AdultRiders@gmail.com no later than Feb 21st. You will ride on your scheduled day for individual placement and teams will be scored separately. Teams will be formed by division, BN thru P, and awards will be presented after the last team member finishes their ride on Sunday. If we do not have enough team members for a division we will combine levels for a team, but that will delay some team members from picking up their awards. We have some great prizes for the top 3 placing teams per division. There will also be an adult rider welcome party on Friday evening, special adult rider swag, and beverages throughout the weekend.
